If you want to go on holiday with some friends and

If they have disabilities you may need to look for some special places for them or for you.

There are lots of places you can go and have a good time.

Finding the right place can be hard and takes a lot of reading and adding up the prices.

We can do all that for you.

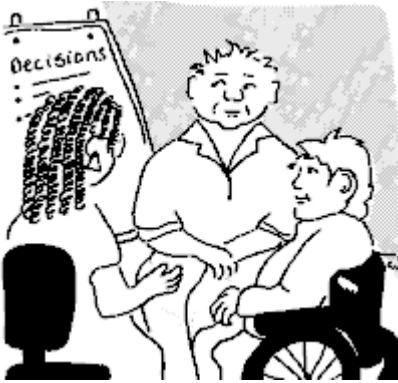

Tell us what you want to do and what you need for your friends to be safe and comfortable.

Tell us how much you can afford.

We will find places for you and explain what they are.

We will show you how much they cost and how you will get there.

We can come and talk with you and your key worker. We can help you make plans for your holiday.

If you need to travel with someone who can help you, we can also do that. If we can't go with you we can find someone who can. You can meet them and plan your holiday together.
